In re Application of
Albert S. Deutsch
Application No. 10/804,871
Filed: March 19, 2004
Attorney Docket No. PISCES 02.03

:
:
: **DECISION ACCORDING STATUS**
: **UNDER 37 CFR 1.47(b)**
:

This is in response to the renewed petition filed under 37 CFR 1.47(b) on February 9, 2005.

The petition is **GRANTED**.

The above-identified application was filed on March 19, 2004 without an executed oath or declaration. Accordingly, on June 3, 2004, a "Notice To File Missing Parts of Nonprovisional Application" was mailed, requiring an executed oath or declaration and a surcharge for the late filing of the oath or declaration. In response, a petition was filed November 1, 2004, accompanied by the late filing surcharge and a three (3) month extension of time. On January 5, 2005, the petition was dismissed because an oath or declaration for the patent application in compliance with 37 CFR 1.63 and 1.64 had not been presented and because the petition lacked proof of irreparable damage.

A grantable petition under 37 CFR 1.47(b) requires:

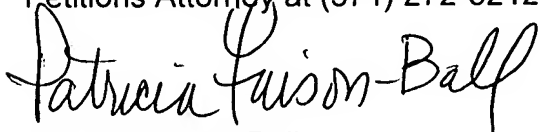

- (1) proof that the non-signing inventor cannot be reached or refuses to sign the oath or declaration after having been presented with the application papers (specification, claims and drawings);
- (2) an acceptable oath or declaration in compliance with 35 U.S.C. §§ 115 and 116;
- (3) the petition fee;
- (4) a statement of the last known address of the non-signing inventor;
- (5) proof of proprietary interest, and
- (6) proof of irreparable damage.

In response to the decision dismissing the petition filed November 1, 2004, an oath or declaration executed by an officer of the Corporation, for the assignee and on behalf of the non-signing inventor as well as proof of irreparable damage has been presented. All requirements under 37 CFR 1.47(b) therefore having been met, as provided in Rule 1.47(c), this Office will forward notice of this application's filing to the non-signing

inventor at the address given in the petition. Notice of the filing of this application will also be published in the Official Gazette.

This matter is being referred to Technology Center 1752 for examination in due course.

Telephone inquiries related to this decision should be directed to the undersigned Petitions Attorney at (571) 272-3212.
